

Series: The Spirit Filled Life

Title: The Serving Ministry

Only that which is done for Christ outlives this life.

What are you doing that has eternal Value?

What is God Accomplishing through you?

1 of the greatest ministries of the Holy Spirit is that He compiles us to Biblically Serve.

Complacent Christians hide their faith in Silence, on the sidelines

Authentic Christianity is Not a Spectator Sport.

The Holy Spirit calls us out of Aimless living.

The Holy Spirit Engages us in God's Eternal Cause.

The Holy Spirit Stirs our Hearts with more passion than just mere existence.

The Holy Spirit Stirs our heart to Active Duty!

Every Christian is Called to Serve in Some way.

Authentic Christianity is Not about Input/Output but Through-Put

(Gal 2:20)

God's saving/Strengthening resources flow into us that they might flow through us to the benefit of Others.

We are a Vessel for the Holy Spirit.

We are a Conduit to Deliver the Message of Christ & the gifts of God to the Lives of others.

You are God's divinely appointed Minister, to your Family, to your Church, to your Community, to your Workplace, and the World.

Many Christians accept Salvation,

Enjoy His Strengthening,

BUT never enter into the ministry of Service.
