Church Planting In Paraguay

September 2024 Prayer Letter

Exciting Kid's Day

As we mentioned last month, we had a special Kid's Day at the church on August 17th. First, we want to say thank you to everyone that prayed with us for this event. The Lord heard and answered those prayers in a great way! We had over 40 children and their families in attendance who heard a clear presentation of the gospel. We are praying that we will see many of these families return to the church to continue hearing the gospel and to put their faith in Jesus Christ.

Developing Disciples

This month we had a young man and a lady from the church begin discipleship classes with the youth leader and his wife. Lauren and I have the opportunity to sit in on these classes and learn as well. This has helped us learn practical insight for discipling others in a different language and culture.

I want to ask if you would please pray for both of these discipleship classes. Pray that the Lord would use them to mature the students in their faith and that the teachers would have wisdom as they disciple others. It is encouraging to see the great commission fulfilled right before our eyes, and to see how the Lord is working in the church here.

Various Visitors

Over the past few weeks we have had several first time and returning visitors. It is always encouraging when a new face walks into the church for the first time and continues to come back. Please pray that these visitors would get saved and begin a personal relationship with the Lord.
